

Agenda de Congressos i Jornades

- DISPERSAL conference

December 6-7, 2007 Museum National Histoire Naturelle, department for Ecology & Biodiversity
Managing
aris

,
France

Abstract deadline -

November 12, 2007

Program: 2 full days (8.30 - 18.30)

Thursday, December 6th:

Oral Session 1 : Mechanistic dissection of dispersal: how far have we moved? Report from the workshop: Hans Van Dyck, Nicolas Schtickzelle,

Virginie Stevens & Michel Baguette

Chair: James Bullock

Oral Session 2 : How can we study

information acquisition before

emigration or during transfer? What can we learn from this field? Keynote address: Jean Clobert

Chair: Achim Poethke

Friday, December 7th:

Oral Session 3 : Consequences of dispersal for individuals, populations, metapopulations and species.

Keynote address: James Bullock

Chair: Thomas Hovestadt

Oral session 4 : Modelling the evolution of dispersal.

Report from the workshop: Calvin Dytham, Thomas Hovestadt, Achim

Poethke & Justin Travis

Chair: Hans Van Dyck

Abstract submission

All participants are invited and encouraged to present some aspect of their work in a poster or in a contributed talk (15 minutes + 10

minutes discussions). Please note that the number of talks selected

will be limited to 20. Talks selection will favor

speculative/discussion provoking themes and original unpublished

results presentation.

Submit abstracts before

12 November 2007

, with any relevant information (name, affiliation and full address for all authors, nature of the communication: oral or poster) as an attached word document sent to

Michel Baguette (baguette@mnhn.fr) or to Virginie Stevens

(stevens@mnhn.fr).

Registration

To register, please send a mail exclusively to Virginie Stevens (stevens@mnhn.fr), with the name, full address and affiliation of each participant.

Registration fees

Students: 25 euros/day

Others: 50 euros/day

To be paid (cash) at arrival.

Travel and accommodation

Participants are invited to deal with their own hotel reservation in Paris

, as well as with their flights or train to Paris

.

Paris

abounds in hotels and youth hostels. The conference will be at the campus Jussieu at University Pierre & Marie Curie, in the Quartier Latin(5th arrondissement). Here are some websites for hotel/room registration:
